

ENTRY FORM

Access Rental Company of the Year

To a powered access rental company that stands out through innovation and success.

Financial performance is one aspect of performance that will be considered, but of equal relevance is a company's approach to safety, training, marketing of access rental services, new technology, customer service, and other initiatives. Other relevant areas, for example a company's efforts to develop the access industry in emerging markets, should also be included in the application. All rental companies are welcome to enter, big or small. Due to the cancellation of the 2020 event, activities or innovations introduced since 1 January 2020 will be considered.

When compiling your entry, remember that the judges will be reviewing more than 100 submissions. Try to make your presentation as clear as possible, emphasising the most important elements of your entry.

(Entries should be no more than 1,500 words)

E-mail your completed entry to Euan Youdale, evan.youdale@khl.com

ENTRY DEADLINE: 1 December 2021
