Access Photograph of the Year

The access photography competition is sponsored by the UK's Media Access Solutions (MAS), which will donate the €1000 prize: €750 for first place, €250 for second place.

Judges will be looking for a spectacular shot that highlights an important aspect of safety or dynamic use of access equipment. The award is open to everyone working in the access industry. Entries should not include pictures commissioned for PR and marketing purposes.

When compiling your entry, remember that the judges will be reviewing more than 100 submissions. Try to make your presentation as clear as possible, emphasising the most important elements of your entry. (Entries should be no more than 1,500 words)

E-mail your completed entry to Euan Youdale, evan.youdale@khl.com
